

MASTER PLAN DEVELOPMENT

Defining how Southlake will evolve and grow to meet the needs of the communities we serve so we can continue to deliver high quality care for decades to come.

DETAILED PLANNING

Finalizing building requirements, preparing detailed procurement documents and awarding of a contract to build the hospital

OPENING THE NEW HOSPITAL

WHERE WE'RE AT NOW

EARLY PLANNING

Determining space requirements and the required size of the new hospital.

CONSTRUCTION

NEXT STEPS IN THE PROCESS:

Government approval to start early planning and a planning grant

- Government approvals are required at various stages of the process.
- Community engagement is important and will take place at each step of the process.
